THE WHITE BARN

A performing Arts Venue Set in Napa Valley Vineyards

The White Barn is a dynamic venue treasured by the community. Set in the heart of St. Helena's countryside, the Barn features regional musicians, writers, and actors from the Napa Valley and beyond. Operating as a nonprofit, White Barn ticket proceeds have benefitted important, underfunded charities and organizations for 26 years under the guidance of Artistic Director Nancy Garden, and is staffed by volunteers.

Complimentary Napa Valley wines and desserts are served during performance intermissions.
